

Amendments to the Drawings:

The attached sheet of drawings includes changes to Fig. 1. This sheet, which includes only Fig. 1, replaces the original sheet including only Fig. 1.

Fig. 1 was objected to because “Figure 1 should be designated by a legend such as –Prior Art—because only that which is old is illustrated.” Applicants have amended Fig. 1 to identify the figure as “Prior Art.” A corrected version of Fig. 1 is provided as the Replacement sheet along with the Annotated Marked-up version.
